Charitable Assets and Grantmaking* (\$ billions)

	Donor-Advised Funds	Private Foundations
CHARITABLE ASSETS	\$ 228.89	\$ 1,158.00
TOTAL GRANT DOLLARS	\$ 52.16	\$ 99.67

* The asset and grant total for private foundations in this table are reported by FoundationMark and include 40,000 private foundations in the United States with more than \$1 million in assets. FoundationMark estimates that their data subjects represent 97 percent of all foundation assets.

This table shows an estimated total of DAF charitable assets and grants from all charitable sponsors included in the *DAF Report* compared with independent (non-corporate) foundations, also called private foundations. DAF charitable assets amounted to 20 percent of those in private foundations, but the value of DAF grants in 2022 amounted to 52.3 percent of the value of grants from private foundations.

National Philanthropic Trust provides this report as a public service to our colleagues who are interested in donor-advised funds.
